FOOTBALL DISCUSSION HELD
Mike Smith, Limestone Township – Where do we stand on the junior high football season and the possible co-op with Clarion?

Mike Ferguson, Limestone Township – Keeping our own junior high team may be physically dangerous because there are not enough players.

Dave Eggleton, Clarion Township – This involves more than the football players, it affects cheerleaders and band also.

Dave Eggleton, Clarion Township – This also affects the Booster Club because football brings in money for all sports.

Mike Smith, Limestone Township – Will there be football or not?

Junior High Coach Corry Bish, Corsica Borough – What would happen to the football players if we did not have a junior high season?

Varsity Head Coach Dave Eggleton – Ninth graders could move up to varsity, one seventh grader would be age eligible to go back to youth football, the others would serve as water boys or in some other capacity.

Phil McBride, Clarion Township – The numbers are dwindling all across the league.

Tedra Craig, Limestone Township – The boys are used to playing with Clarion Area students because they play little league together. Has anyone asked the players what they would like to do?

Molly Greenawalt stated to Coach Davey Eggleton that while the school board was adjourned to executive session he and his coaches discuss how they would like to proceed. Whether to continue with the junior high season or seek a co-op with Clarion Area.
